The Company has elected to use the notice-and-access provisions under National Instrument 54-101 and National Instrument 51-102 ("**Notice-and-Access Provisions**") of the Canadian Securities Administrators for the Meeting. Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to shareholders of the Company by allowing the Company to post its Circular and any additional materials online. The Company will not use procedures known as 'stratification' in relation to the use of Notice-and-Access Provisions. The Circular and all additional materials have been posted in full on the Company's website at www.choomholdings.ca/investor#agm and under the Company's SEDAR profile at www.sedar.com.

Shareholders of the Company may request paper copies of the Circular and additional materials at no cost by calling toll-free within North America at 1-(888)-860-2666, or by fax at 1 (604) 683-2506 up to the date of the Meeting or any adjournment thereof. In order to ensure that a paper copy of the Circular and additional materials can be delivered to a shareholder in time for such shareholder to review the Circular and return a form of proxy or voting instruction form prior to the deadline to receive proxies, it is strongly suggested that shareholders ensure their request is received no later than **10:00 a.m. (Vancouver time) on May 13, 2021**. Shareholders of the Company who would like more information about the Notice-and-Access Provisions may contact the Company toll-free at 1-(888)-860-2666.

The Information Circular contains details of matters to be considered at the Meeting. **Please review the Circular before voting.**

MANAGEMENT INFORMATION CIRCULAR

(as at and dated April 6, 2021, unless indicated otherwise)

SOLICITATION OF PROXIES BY MANAGEMENT

Choom Holdings Inc. (the "**Company**") is providing this management information circular (the "**Circular**") and the accompanying form of proxy in connection with management's solicitation of proxies for use at the annual general meeting of shareholders the Company (each a "**Shareholder**") to be held at the place set forth in the accompanying Notice of Meeting on Thursday, May 20, 2021, at 10:00 a.m. (Vancouver Time) and at any adjournments thereof (the "**Meeting**"). **Shareholders wishing to attend the Meeting may do so by calling 1-877-407-2991 (Event 14) (toll free North America) or 1-201-389-0925 (Event 14) (International) and instructions will be provided as to how Shareholders entitled to vote at the Meeting may participate and vote at the Meeting.**

A summary of the information Shareholders will need to attend the Meeting is provided below.

Solicitation will be primarily by mail, but some proxies and voting instruction form may be solicited personally or by telephone by regular employees or directors of the company at a nominal cost. The cost of solicitation by management of the company will be borne by the company. We have arranged for intermediaries to forward the meeting materials to beneficial shareholders held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

NOTICE-AND-ACCESS

"**Notice-and-Access Provisions**" means provisions concerning the delivery of proxy-related materials to shareholders found in section 9.1.1 of National Instrument 51-102 – *Continuous Disclosure Obligations* ("**NI 51-102**"), in the case of registered shareholders, and section 2.7.1 of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), in the case of Non-Registered Shareholders, which would allow an issuer to deliver an information circular forming part of proxy-related materials to shareholders via certain specified electronic means provided that the conditions of NI 51-102 and NI 54-101 are met.

The Notice-and-Access Provisions are a mechanism which allows reporting issuers other than investment funds to choose to deliver proxy-related materials to registered holders and beneficial owners of securities by posting such materials on a non-SEDAR website (usually the reporting issuer's website or the transfer agent's website) rather than delivering such materials by mail. The Notice-and-Access Provisions can be used to deliver materials for both special and general meetings. Reporting issuers may still choose to continue to deliver such materials by mail, and beneficial owners will be entitled to request delivery of a paper copy of the information circular at the reporting issuer's expense.

The use of the Notice-and-Access Provisions reduces paper waste and mailing costs to the Company. In order for the Company to utilize the Notice-and-Access Provisions to deliver proxy-related materials by posting the management information circular (and if applicable, other materials) electronically on a website that is not SEDAR, the Company must send a notice to shareholders, including Non-Registered

Shareholders, indicating that the proxy-related materials have been posted and explaining how a shareholder can access them or obtain a paper copy of those materials from the Company. This Circular has been posted in full on the Company's website at www.choomholdings.ca/investor#aqm and under the Company's SEDAR profile at www.sedar.com.

In order to use Notice-and-Access Provisions, a reporting issuer must set the record date (the "**Record Date**") for notice of the shareholder meeting to be on a date that is at least 40 days prior to the meeting in order to ensure there is sufficient time for the materials to be posted on the applicable website and other materials to be delivered to shareholders. The requirements of that notice, which requires the Company to provide basic information about the Meeting and the matters to be voted on, explain how a shareholder can obtain a paper copy of the management information circular and any related financial statements, and explain the Notice-and-Access Provisions process, have been built into the Notice of Meeting, as well as a notice of the use of the Notice-and-Access Provisions. The notice of the use of the Notice-and-Access Provisions has been delivered to Shareholders by the Company, along with the applicable voting document (a form of proxy in the case of registered Shareholders or a voting instruction form in the case of Non-Registered Shareholders).

The Company will pay intermediaries, including Broadridge Financial Solutions ("**Broadridge**"), to deliver proxy-related materials to NOBOs and the Company will not pay for delivery of proxy-related materials to OBOs.

Shareholders of the Company may request paper copies of the Circular and additional materials at no cost by calling toll-free within North America at 1-(888)-860-2666, or by fax at 1-(604) 683-2506 up to the date of the Meeting or any adjournment thereof. In order to ensure that a paper copy of the Circular and additional materials can be delivered to a shareholder in time for such shareholder to review the Circular and return a form of proxy or voting instruction form prior to the deadline to receive proxies, it is strongly suggested that shareholders ensure their request is received no later than **10:00 a.m. (Vancouver time) on May 13, 2021**. Shareholders of the Company who would like more information about the Notice-and-Access Provisions may contact the Company toll-free at 1-(888)-860-2666.

ATTENDING, PARTICIPATING AND VOTING AT THE MEETING

We are holding the Meeting in a virtual only format this year out of an abundance of caution to proactively deal with the potential issues arising from the unprecedented public health impact of COVID-19 and to limit and mitigate risks to the health and safety of our communities, shareholders, employees, directors and other stakeholders. All shareholders will have an opportunity to listen to the Meeting, and registered Shareholders and duly appointed proxy holders will be permitted to ask questions and vote at the Meeting by calling into the meeting using the dial-in information provided below regardless of their geographic location.

There are different ways to submit your voting instructions, depending on whether you are a registered or beneficial Shareholder. You may vote before the Meeting by completing your form of proxy or voting instruction form ("**VIF**") in accordance with the instructions provided therein. Beneficial Shareholders should also carefully follow all instructions provided by their intermediaries to ensure that their Common Shares are voted at the Meeting.

If you attend the Meeting via teleconference, it is important that you are connected to the teleconference call at all times during the Meeting in order to vote when required. It is your responsibility to ensure connectivity for the duration of the Meeting. You should allow ample time to check into the Meeting and complete any related procedures as directed.

Registered Shareholders

You are a registered Shareholder if you have your Common Shares registered in your name.

Registered Shareholders and duly appointed proxy holders will be able to attend, participate and vote at the Meeting by calling **1-877-407-2991 (EVENT 14) (toll-free in Canada and USA) or 1-201-389-0925 (for holders outside of Canada and USA)** and instructions will be provided as to how Shareholders entitled to vote at the Meeting may participate and vote at the Meeting.

You will be asked to provide your proxy control number (the “**Control Number**”) for account validation when requested. The Control Number for registered Shareholders is located on the form of proxy or in the email notification that you received.

If, as a Registered Shareholder, you decide to vote your Common Shares at the Meeting, you will be revoking any and all previously submitted proxies for the Meeting. If you do not wish to revoke a previously submitted proxy, you will not be able to vote at the Meeting.

If, as a registered Shareholder, you are using your Control Number to participate in the Meeting and you wish to revoke any and all previously submitted proxies for the Meeting you will be provided the opportunity to vote by ballot on the matters put forth at the Meeting. If you do not wish to revoke a previously submitted proxy, you will not be able to participate at the Meeting.

Registered Shareholders who wish to appoint a third-party proxy holder to represent them at the Meeting **must submit their duly completed proxy form or VIF and register the proxy holder. See “Voting by Proxy” below.** You do not have to complete the proxy form if you want to attend the Meeting live via teleconference and vote directly at the Meeting.

Non-Registered Holders

Only Shareholders whose names appear on the records of the Company as the registered holders of Shares or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders of the Company are “non-registered” Shareholders because the Shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the Shares; bank, trust company, trustee or administrator of self-administered RRSP’s, RRIF’s, RESP’s and similar plans; or clearing agency such as The Canadian Depository for Securities Limited (a “**Nominee**”). If you purchased your Shares through a broker, you are likely a non-registered holder.

In accordance with securities regulatory policy, the Company has distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular and the form of proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order to ensure that your Shares are voted at the Meeting. If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as “non-objecting beneficial owners” (“**NOBOs**”). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as “objecting beneficial owners” (“**OBOs**”).

Appointment and Registration of Proxyholder

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder’s behalf in accordance with the instructions given by the Shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of the Company (the “**Management Designees**”).

A Shareholder has the right to appoint a person other than a Management Designee, to represent the Shareholder at the Meeting by striking out the names of the Management Designees and inserting the desired person’s name in the blank space provided in the enclosed form of proxy or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a Shareholder.

Voting by Proxy

Only registered Shareholders as of the Record Date or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

If a Shareholder does not specify a choice and the Shareholder has appointed one of the Management Designees as proxyholder, the Management Designee will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

If a registered Shareholder who has a proxy attends the virtual Meeting and accepts the terms and conditions when entering the Meeting online, any votes cast by such Shareholder on a ballot during the Meeting will be counted and the previously submitted proxy will be disregarded. If registered Shareholders DO NOT wish to revoke all previously submitted proxies, they should not accept the terms and conditions, in which case such registered Shareholders can only enter the Meeting as a guest.

Completion and Return of Proxy

Completed proxies must be sent by mail or fax to the Company’s registrar and transfer agent, Computershare Investor Services Inc., at its offices at **510 Burrard Street, 3rd Floor, Vancouver, British Columbia, V6C 3B9** or by fax at **1-866-249-7775 in Canada and the United States, and 001-416-263-9524 outside of Canada and the United States (according to the instructions on the form of proxy)**, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently. **You may also vote on the Internet or by telephone.**

In all cases, all proxies must be received and all proxyholders must be registered before 10:00 a.m. (Vancouver Time) on Tuesday May 18, 2021, or in the case of adjournment or postponement of the Meeting, not less than 48 hours excluding Saturdays, Sundays and holidays, prior to the time of the Meeting.

Revocability of Proxy

In addition to revocation in any other manner permitted by law, a Shareholder, his attorney authorized in writing or, if the Shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting or to Computershare Investor Services Inc. at its offices at 510 Burrard Street, 3rd Floor, Vancouver, British Columbia, V6C 3B9, or by fax at 1-866-249-7775 in Canada and the United States, and 001-416-263-9524 outside of Canada and the United States.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors described herein.

RECORD DATE AND QUORUM

The articles of the Company (the “**Articles**”) provide that a quorum for the transaction of business at a meeting of Shareholders is two persons who are, or represent by Proxy, Shareholders holding in the aggregate, at least five (5%) percent of the issued Common Shares entitled to be voted at the Meeting. Oversight and Description of Director and NEOs Compensation

Compensation Review Process

In keeping with the relatively simple compensation structure adopted by most venture issuers, the Company's executive compensation for its executive officers has two primary components, cash compensations and participation in equity plans.

Compensation awarded or paid to the Company's directors and/or executive officers, including NEO's, consists primarily of base salary and/or consulting fees, stock options, RSU grants and bonuses. Payments may be made from time to time to executive officers, including NEO's, or companies they control for the provision of consulting or management services. Such services are paid for by the Company at competitive industry rates for work of a similar nature by reputable arm's length services providers. The Company pays fees for management services to Mr. Gillon, Mr. Bogart and Ms Gieselman as set forth under "*Employment, consulting and management agreements*" and "*External Management Companies*". Additionally, as described herein the Company may grant incentive stock options and/or RSU's to all of the Company's directors and management, including NEO's, pursuant to the Option Plan and RSU Plan. The Board will from time to time determine the stock option grants and RSU awards to be made pursuant to the Plan and RSU Plan. In addition, the Board may award bonuses, in its sole discretion, to executive officers, including NEO's, from time to time.

In assessing the compensation of its directors and executive officers, including the NEO's, the Company does not have in place any formal objectives, criteria or analysis. Compensation payable to executive officers and directors is currently reviewed and recommended by the Company's by the Board. Other than as described in the Gillon Contract, the Company has not established any specific performance criteria or goals to which total compensation or any significant element of total compensation to be paid to any NEO is dependent. NEO's performance is reviewed in light of the Company's objectives from time to time and such officers' compensation is also compared to that of executive officers of companies of similar size and stage of development in the retail cannabis industry.

Management fee payments made to NEO's for management services provided to the Company in connection with their executive officer duties are the only form of compensation awarded to, earned by, paid or payable to the NEO's for the most recently completed financial year ending June 30, 2020.

Director and NEO Compensation

Exercise of Compensation Securities by Directors and NEOs

During the years ended June 30, 2020 and 2019 there were no options exercised by NEO's or directors.

Stock Option Plans and Other Incentive Plans**Stock Option Plan**

On March 15, 2018 the Board approved a 10% rolling stock option plan in accordance with the policies of the CSE (the "**Option Plan**"). The Option Plan provides that subject to the requirements of the CSE the aggregate number Common Shares reserved for issuance will not exceed 10% of the number of Common Shares of the Company issued and outstanding from time to time.

The Option Plan was established to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. Management proposes option grants to the Board based on such criteria as performance, previous grants, and hiring incentives. All grants require Board approval. The Option Plan will be administered by the Board, which will have full and final authority with respect to the granting of all options thereunder subject to express provisions of the Option Plan.

The Option Plan will be used to provide share purchase options to be granted in consideration of the level of responsibility of the executive as well as his or her impact or contribution to the longer-term operating performance of the Company. In determining the number of options to be granted to the executive officers, the Board will take into account the number of options, if any, previously granted to

each executive officer, and the exercise price of any outstanding options to ensure that such grants were in accordance with the policies of CSE, and closely aligned the interests of the executive officers with the interests of shareholders. The directors of the Company will also be eligible to receive stock option grants under the Option Plan, and the Company will apply the same process for determining such awards to directors as with NEOs.

Options may be granted under the Option Plan to such directors, employees, consultants or management company employees of the Company and its subsidiaries as the Board may from time to time designate. The Options granted can be exercised for a maximum of 10 years and vest as determined by the Board. The exercise price of each option must not be lower than the greater of the closing market prices of the Common Shares of the trading day prior to the date of grant of the option and the date of grant of the option.

The Option Plan complies with Section 2.25 of National Instrument 45-106 - *Prospectus Exemptions* and provides that the number of Common Shares which may be reserved for issuance on a yearly basis to any one related person upon exercise of all stock options held by such individual may not exceed 5% of the issued Common Shares calculated at the time of grant. Moreover, the Company cannot issue grants to related persons if in the aggregate their grants would, on a fully diluted basis, exceed 10% of the issued and outstanding Common Shares of the Company.

Long Term Incentive Plan

In April 2020, The Company adopted a restricted share unit plan (the “**RSU Plan**”) to grant RSU’s to directors, senior officers, employees and consultants of the Company. The aggregate outstanding RSU’s are limited to 20% of the outstanding common shares provided that at no time may the number of RSUs issuable under the RSU Plan, together with the number of common shares issuable under options that are outstanding under the Option Plan, exceed 20% of the issued and outstanding common shares as at the date of a grant under the RSU Plan or the Option Plan, as the case may be.

The RSU Plan is expected to be used to grant RSU’s to directors, officers (including NEO’s) and employees of the Company, as additional compensation and as an opportunity to participate in the success of the Company. The granting of such RSUs is intended to align the interests of such persons with that of the Shareholders.

In determining the number of RSU to be granted to directors or executive officers, including the NEOs, the Board will take into account, among other things:

- the number of options, if any, previously granted to each director or executive officer; and
- the exercise price of any outstanding options to ensure that such grants are in accordance with the policies of the Exchange and closely align the interests of the directors and executive officers with the interests of shareholders.

The Company shall only grant RSU’s under this RSU Plan in compliance with Section 2.25 of NI 45-106 - *Prospectus Exemptions* as described hereinabove under “Stock Option Plan”.

On September 4, 2020 and as at the date of this Circular the Company had granted an aggregate of 4,000,000 RSU’s in accordance with the RSU plan to directors, officers and employees of the Company.

Compensation Risk Assessment and Mitigation

Although the Company does not have formal policies specifically targeting risk-taking in a compensation context, the practice of management and the Board is to consider all factors relating to an executive officer's performance, including any risk mitigation efforts or excessive risk-taking, in determining compensation.

Under the Company's policies, executive officers and directors are not permitted to purchase financial instruments (including prepaid variable contracts, equity swaps, collars or units of exchange funds) that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held directly or indirectly by the executive officer or director.

Director Compensation

The Company does not currently pay compensation to non-management directors, nor are they paid for attendance at board meetings. The directors are reimbursed for expenses occurred in carrying out their duties as directors and are granted options and RSU's.

The Plan and RSU Plan allows the Company to grant options and RSU's to the officers, employees and directors. The purpose of granting such options and RSU's is to assist the Company in compensating, attracting, retaining and motivating the directors of the Company and to closely align the personal interests of such persons to that of the Shareholders.

INFORMATION ON CORPORATE GOVERNANCE

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 - *Corporate Governance Guidelines* provides non-prescriptive guidelines on corporate governance practices for reporting companies such as the Company. In addition, NI 58-101 - *Disclosure of Corporate Governance Practices* ("**NI 58-101**") prescribes certain disclosure by the Company of its corporate governance practices. Pursuant to NI 58-101 this disclosure is presented in accordance with Form 58-101F2 below.

Board of Directors

The Board is currently composed of five directors and it is proposed that five directors will be nominated at the Meeting.

The Board facilitates its exercise of independent supervision over management by ensuring that the Board is composed of a majority of individuals who qualify as "independent" directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect "material relationship" with the company. "Material relationship" is defined as a relationship which could, in the view of the company's board of directors, be reasonably expected to interfere with the exercise of a director's independent judgment.

Of the proposed nominees, (2) nominees, Corey Gillon, CEO of the company and Christopher Bogart, President of the Company, are considered "not independent" and they are considered an "insider" or management director. Mr. Tong, Mr. Puil, and Mr. Simeon the remaining proposed directors are considered by the board to be "independent", within the meaning of National Instrument 52-110 – *Audit Committees*. In assessing the requirements and making the foregoing determinations whether a director is independent, the Board chiefly considers whether the director has a relationship which could or could be perceived to interfere with the director's ability to objectively assess the performance of management.

The Board is responsible for approving long-term strategic plans and annual operating plans and budgets recommended by management. Board consideration and approval is also required for material contracts and business transactions, and all debt and equity financing transactions.

The Board delegates to management responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing the Company's cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

Members of the Board have full access to the Company's records.

Ethical Business Conduct

The Company has not yet adopted a written code of conduct applicable to officers and directors of the Company. Going forward upon expansion of the size of the Board and as part of a subsequent general corporate governance review, the Company plans to adopt a written code of conduct to establish requirements and provide guidance for the behavior of employees, officers, and directors.

Other Board Committees

The Company has no committees other than the audit committee. The Company is small and until now the duties of the recommended committees have been performed by the plenary Board. Going forward, upon the expansion in the size of the Board, the Board will review its corporate governance practices and consider, among other matters, whether it would be desirable to establish additional committees of the Board.

Assessments

The Board has not yet established a formal performance review process for assessing the effectiveness of the Board, the audit committee or the individual directors. It is expected that the contributions of an individual director are informally monitored by the other Board members, having in mind the business strengths of the individual and the reasons for which the individual was nominated for appointment to the Board. The Company will continue to develop its approach to corporate governance in light of its own circumstances and what are recognized as best practices in this area.

SCHEDULE "A"

CHOOM HOLDINGS INC. (the "Company")

AUDIT COMMITTEE'S CHARTER

Mandate

The primary function of the audit committee (the "**Committee**") is to assist the board of directors (the "**Board of Directors**") in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting and the Company's auditing, accounting and financial reporting processes. Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Committee's primary duties and responsibilities are to:

- Serve as an independent and objective party to monitor the Company's financial reporting and internal control system and review the Company's financial statements.
- Review and appraise the performance of the Company's external auditors.
- Provide an open avenue of communication among the Company's auditors, financial and senior management and the Board of Directors.

Composition

The Committee shall be comprised of three directors as determined by the Board of Directors, the majority of whom shall be free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of his or her independent judgment as a member of the Committee.

At least one member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Company's Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements.

The members of the Committee shall be elected by the Board of Directors at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership.
